

Fleet Management Speed Limiters

Application

Fleet Management Speed Limiters for ATV and UTV's

- Protect your assets by installing our affordable speed limiters.
- Limiting the machines maximum speed reduces the risk of damage from careless drivers, abuse, and reduces legal liability.
- Extend machine replacement intervals due to reduced wear and abuse.
- The limiting speed for the unit is preset when shipped, and can be re-configured once installed, if necessary.
- Each unit is potted with epoxy to eliminate environmental issues as well as tampering.
- Ease of installation.
- Optional backup alarm is available.
